MEMORANDUM FOR: Director, National Photographic Interpretation Center

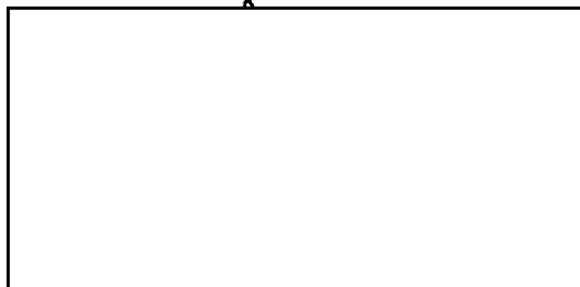

SUBJECT : ☐ Aircraft at Andrews Air Force Base

1. You will know of the problem we had last week with the ☐ aircraft at Andrews Air Force Base scheduled to pick up the ☐ material consignment, and the subsequent unloading late Friday evening and the transfer of that load to Dulles on the following day.

2. I would like to express my appreciation to you for the excellent cooperation and cheerful help I received from the Production Services Group, and in particular from ☐ and his team throughout the whole week despite late hours and not too pleasant weather conditions.

3. I must also add that on all of our previous pickups, the cheerful and willing help of NPIC personnel has made my task a very easy one.

4. Thank you very much indeed.
